Advertising Opportunity for Your Business

Supporting Salto Gymnastics, the ONLY non profit gymnastics club in Sherwood Park, is an excellent opportunity for our local business community to gain access to the families and friends of our more than 3500 program participants. Salto Gymnastics is also the ONLY facility in Sherwood Park and Edmonton to offer gymnastics based, licensed Preschool to promote education and health. Sponsorship of our club gives your business different avenues for your advertising needs, will help bring you name recognition, and demonstrate a visible show of support for our community's health and wellness. Your support will help us to achieve our mission and keep gymnastics available to more families in our community by keeping registration costs accessible. It will also enhance the gymnastics experience for participants by expanding and improving our facility and equipment.

In addition to the families of our members, advertising with Salto will reach the attendees of our major gymnastics competition, Salto Gym Challenge. Competitors from all over Alberta and neighboring provinces attend this event. Salto also hosts school group classes, birthday parties, corporate Christmas parties, and fitness classes.

Sponsorship Levels

Becoming an annual supporter of Salto Gymnastics offers you the opportunity to position your business as a leader in youth development and a supporter of fitness, creativity and lifelong learning. Salto Gym Challenge is held in March.
